A file containing the Asst Regr's note with reference to a communication from the Comptr about the allocation of Mtr Cases has been separately submitted today. If the proposals therein are approved Mr Rangachar may be appointed Asst Mtr Rees. (As this is a non-civil service Mtr Comptr, this would be a departure from the Civil Service Rule. The arrangement may perhaps be given effect to if the Govt of Mysore modify the rule taking up separately & disposing of Council)

Mr Comptr would like to have Mr Appaji Gowda back as he is wanted to pass the Miscellaneous. D.O. No. 235

FINANCIAL SECRETARIAT,

Dated Bangalore, 30th November 1921.

My dear Sir,

I have just seen the notification appointing Mr. Appaji Gowda as Acting Assistant Secretary to Government in the Financial Department. I am not aware of the circumstances in which this officer has been selected. My proposal was that Mr. T.A.Ranganchar might be appointed in the place of Mr. M.Srinivasa Iyengar. Mr. Appaji Gowda has not been in the Audit Office sufficiently long to have held all the important charges there. An intimate acquaintance with the work of Book, Budget and Resource Departments of the Audit Office is a very necessary equipment for an officer to hold charge of the Financial Branch of the Secretariat and I understand that Mr. Appaji Gowda does not possess this equipment. He has, so far, not been entrusted with any responsible work in regard to the branches of ~~the~~ work referred to above. Unless an officer serves for at least five years in the Audit Office, his training and experience cannot be considered as complete. To withdraw Assistant Commissioners from the Audit office before this minimum term of five years is over will only have the effect of making their acquaintance with the work of the Department imperfect and with incomplete experience of the work of the Audit Office, they will not be qualified for performing the very important and varied work to be dealt with in the Financial Department of Government. The proposed appointment deprives Mr. Appaji Gowda of the opportunity of learning the whole work of the Audit Department and it will handicap me considerably, as I cannot expect him to render all the assistance which the Assistant in charge of the Financial Department is expected to do. There are so many important financial problems to be solved in our present situation and the need for having in the Financial Branch an experienced officer of the Accounts Department cannot be over-rated. I may also add that the entire staff of the Financial Branch is untrained for financial work and the only technical assistance which the

Financial

Financial Secretary can get is from his Assistant. This Assistant should, therefore, be the best available in the Department and I would, for these reasons, request that my recommendation for the appointment of Mr. V.A.Ranganathan may very kindly be sanctioned or if he cannot be spared from the Comptroller's office, I request that Mr. T.R.Krishnaswami Iyengar who is now working in the Chief Commandant's office, may kindly be permitted to work in the Financial Branch.

2. If the contemplated arrangement is with the object that the number of Civil Service Assistant Commissioner's charges should not be reduced, I would suggest that the non-civil Service Assistant -- Secretary, Finance, may be counted against one of the three Non-civil Service Assistant Comptrollers allowed for the Audit Office and against a reduction of one in the Secretariat there will be an addition of one Civil Service Assistant Commissioner's charge in the Comptroller's office and the total number of Civil Service charges will remain unreduced. I have consulted the Comptroller and he has no objection to this arrangement.

Yours sincerely,

Dear Mr. Satyaraj Chetty,

I find that a notification has been issued granting two months leave to Mr. M.Venkatanaranappa, Assistant Comptroller. Kindly let me know how this affects the scale of Assistant Comptrollers in your office and what arrangements are now considered necessary. I understand that the loan work is practically over. Mr.Veeraraj Urs is also now available for being put in charge of some section.

Mr. M.N.Krishna Rao has suggested that Mr.M.A. Rangachar may be taken to the Financial Secretariat as Assistant Secretary. This place, as you know, is one included in the cadre of the Civil Service to which Mr.Rangachar does not belong. Mr.Krishna Rao however thinks that this need not stand in the way ~~for~~ of Mr.Rangachar being taken to the Financial Secretariat, ~~and~~ he thinks that a non-Civil Service Assistant Secretary, finance, may be counted against one of the three non-Civil Service Assistant Comptrollers and, that against a reduction of one Civil Service in the Secretariat there may be an addition of one Assistant Commissioner in the Comptroller's office, so that the total number of Civil Service charges may remain unaffected. ~~Mr.Krishna Rao has noted that you have no objection to this arrangement~~. Please let me know ~~how it~~ whether you have any objection to this & if this arrangement is sanctioned, that

Comptroller's Office,
Bangalore, 30th December 192.

D.O. No.112.

Dear Mr. Matthan,

Your D.O. letter No.3626 of 27th December 1921.
The leave granted to Mr. Venkatanaranappa will not affect the scale of this Office, as his name is not on the list of Gazetted Officers belonging to this Office, and as his place has already been taken up by one of the Assistant Commissioners, who have completed their training.

Though this year's State loan work is completed, the State Loan Section of this Office cannot be wound up, and after two large loans of the magnitude raised this and the previous years, there is so much work to be done which cannot conveniently be added to any of the existing charges. I have therefore submitted proposals to Government to keep on the extra Officer sanctioned for loan work. (Vide my letter No.957/R dated 12th December 1921.)

As regards Mr. Viraraj Urs, I am awaiting the results of the Government of India Higher Departmental Examination for which he has appeared. The question of giving him an independent charge can only be considered after the results are announced. In the event of Mr.Rangacha being transferred to the Secretariat agreeably to the wishes of the Financial Secretary, the vacancy created in the Gazetted staff of my Office will have to be filled by one of the Civil Service Assistant Comptrollers, if Mr. Rangachar is to be reckoned against one of the non-civil service Assistant Comptrollers. I have no objection to this arrangement, as I believe Mr. Rangachar's tenure of appointment as Assistant Secretary will be temporary and he will revert to this Office as Assistant Comptroller, after the expiration of the period.

Excluding one Civil Service and one Non-civil Service temporary appointment belonging to the Railway Audit Office, the scale of Gazetted Staff sanctioned for this Office is four (Civil Service) and three Noncivil Service plus one extra temporary appointment for State Loan

work, which may be held either by a Civil Service or a Noncivil Service Officer. The appointments as now held stand as under:-

Civil Service

1. Mr.M.Srinivasamurthy (On leave till the middle of March 1922)
2. " N.Krishnaswamy Rao.
3. " R. Srirangarajan.
4. " M.A.Srinivasan.

Noncivil Service.

1. Mr. K.R.Krishnaswamy Iyengar (On other duty)
2. " M.A. Rangachar.
3. " T. Subbaramiah.
" A. Narasimha murti (Vice No.1.)

Temporary for State Loan work.

1. Mr. B.S. Raghavendra Rao.

As I considered desirable that Mr. Subbaramiah, who was in charge of t Food Supply accounts should complete the compilation of this account after fully verifying the figures with the various sets of accounts, I have proposed that his retirement from service ordered by Government from 1st January 1922, may be deferred by three months. There will, therefore, be no change in the staff, as shown above.

If Mr.Viraraj Urs passes the Examination and becomes available for holding independent charge, and Mr. Appaji Gowda reverts to this Office, one of them will be taken against Mr. Srinivasamurthy's vacancy and the other against Mr. Rangachar's temporary vacancy. If Mr. Appaji Gowda does not revert to this Office, Mr. Tholasinga Mudaliar may be appointed in Mr. Srinivasa Murthy's vacancy.

I shall be obliged to you, if you will kindly arrange to obtain very early orders of Government in this matter, as the budget season is fast approaching and in the event of Mr. Rangachar being transfer-red to the Secretariat, a suitable Officer has to be posted immediate-ly for the work, to attend to all preliminary work connected therewith

Yours sincerely,
